Wolf Paulus - Conference Talks / Presentations (last 10 Years) - https://wolfpaulus.com/talks/

Conference	Topic	Date	Location	URL	Talk-Title	Slides
Conversational Interaction Conference	AI trends in conversing with computers	April 2022	San Jose, CA	https://www.conversationalinteraction.com	Onward to Conversational Applications	https://speakerdeck.com/wolfpaulus/onward-to-conversational-applications
VOICE Summit	Leading annual event in the voice tech industry	November 2020	Virtual	https://www.voicesummit.ai	Striving for likability – (always empathic but never biased)	https://vimeo.com/user131362201
AWS Community Day	AWS peer-to-peer learning	November 2020	Virtual	https://awscommunityday.com/#speaker-wolfpaulus	One AWS Lambda to Rule Them All	https://speakerdeck.com/wolfpaulus/one-aws-lambda-to-rule-them-all
Conversational Interaction Conference	Conversing with computers	February 2020	San Jose, CA	https://www.conversationalinteraction.com	Always empathic, but never biased	https://speakerdeck.com/wolfpaulus/always-empathic-but-never-biased
Desert Code Camp	Artifical Intelligence (AI)	October 2019	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	https://oct2019.desertcodecamp.com/session/1779	Exploring Neural Word Embeddings with Python	https://speakerdeck.com/wolfpaulus/exploring-neural-word-embeddings-with-python
Desert Code Camp	Cloud Computing	October 2019	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	https://oct2019.desertcodecamp.com/session/1862	Running Docker images in AWS Fargate	https://speakerdeck.com/wolfpaulus/running-docker-images-in-aws-fargate
SpeechTEK	Speech Technology and AI	April 2019	Washington, D.C.	https://www.speechtek.com/2019/program.aspx#12949	The Engineering Of Emotion	https://speakerdeck.com/wolfpaulus/affect-in-bot-conversations
Business of Bots	Chat Bots	February 2019	San Francisco, CA	https://businessofbots.com	Affect in Bot Conversations	https://speakerdeck.com/wolfpaulus/affect-in-bot-conversations
Desert Code Camp	Cloud Computing	October 2018	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	https://oct2018.desertcodecamp.com/session/1628	Impl. an AWS Lambda function in Java, building and deploying w/ AWS CodeBuild	https://speakerdeck.com/wolfpaulus/aws-codebuild
Desert Code Camp	Serverless Compute	October 2017	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ		Java for Serverless Compute with AWS Lambda	https://speakerdeck.com/wolfpaulus/java-for-serverless-compute-with-aws-lambda

Conference	Topic	Date	Location	URL	Talk-Title	Slides
SpeechTEK	Innovative Speech Technologies	April 2017	Washington, D.C.	http://www.speechtek.com/2017/Monday.aspx	The Conversational User Interface Is a Minefield	https://speakerdeck.com/wolfpaulus/the-conversational-user-interface-is-a-minefield
Conversational Interaction Conference	Building a natural user experience	February 2017	San Jose, CA	http://www.avios.org/cic2017	The path to the CUI is heavily mined and booby-trapped	https://speakerdeck.com/wolfpaulus/the-path-to-the-cui-is-heavily-mined-and-booby-trapped
Desert Code Camp	Technology Conference	October 2016	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	http://oct2016.desertcodecamp.com/session/1285	Bots, Amazon Echo, language user interfaces in general	https://speakerdeck.com/wolfpaulus/building-alexa-skills-with-the-java-alexaskillskit-sdk
San Diego Java User Group	Monthly Java Technology Meeting	September 2016	San Diego, CA	http://sdjug.org/meetings	Bots, Amazon Echo, and language user interfaces in general	https://speakerdeck.com/wolfpaulus/building-alexa-skills-with-the-java-alexaskillskit-sdk
Mobile Voice Conference	Building natural language applications	April 2016	San Jose, CA	http://www.avios.org/mvc-2016	Natural Language for Developers – beyond declaring User Intents	https://speakerdeck.com/wolfpaulus/natural-language-for-developers-beyond-declaring-user-intents
San Diego .NET User Group	Computer programming · Technology · Software Development	September 2015	San Diego, CA	http://www.meetup.com/San-Diego-NET-Users-Group/events/224784295/	Bridging the Gap Between Speech Recognition and Business Logic	https://speakerdeck.com/wolfpaulus/bridging-the-gap-between-speech-recognition-and-business-logic-2
SpeechTEK	Innovative Speech Technologies	August 2015	New York,NY	http://www.speechtek.com/2015/Wednesday.aspx	Bridging the Gap Between Speech Recognition and Business Logic	https://speakerdeck.com/wolfpaulus/bridging-the-gap-between-speech-recognition-and-business-logic-2
San Diego Java User Group	Monthly Java Technology Meeting	June 2015	San Diego, CA	http://sdjug.org/meetings	Voice User Interfaces	https://speakerdeck.com/wolfpaulus/bridging-the-gap-between-speech-recognition-and-business-logic-2

Conference	Topic	Date	Location	URL	Talk-Title	Slides
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	June 2015	UCSD - San Diego, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=31	Android Push - Android Wear - Android Voice	https://speakerdeck.com/wolfpaulus/vui-in-wearables-and-the-iot-possibilities-and-challenges
SDSU IEEE Chapter	SDSU IEEE Meeting	April 2015	SDSU - San Diego CA	https://calendar.google.com/calendar/render?eid=ZTFnNW5mNmRvcmlpcHE5MzNrcGYyMGowaThfMjAxNTA0MTRUMTgwMDAwWiByNnYxYjQ3aXVtN2c4a2N2ZGljN25vbjBsMEBn&ctz=America/Los_Angeles&sf=true&output=xml#eventpage_6	Speech Recognition Software	https://speakerdeck.com/wolfpaulus/bridging-the-gap-between-speech-recognition-and-business-logic
Mobile Voice Conference	Natural language and the Internet of Things	April 2015	San Jose, CA	http://www.avios.org/mvc-2015	VUI in Wearables and the IoT, technical possibilities and challenges	https://speakerdeck.com/wolfpaulus/vui-in-wearables-and-the-iot-possibilities-and-challenges
Mobile Voice Conference	Deploying natural language solutions	April 2015	San Jose, CA	http://www.avios.org/mvc-2015	Natural Language Understanding – Bridging the gap between Speech Recognition and Application/Business Logic	https://speakerdeck.com/wolfpaulus/bridging-the-gap-between-speech-recognition-and-business-logic
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	March 2015	CSUF- Fullerton, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=30	Android Push - Android Wear - Android Voice	http://www.slideshare.net/wolfpaulus/developing-for-android-wear
San Diego Android Developers Group	Android / Mobile Software Development	March 2015	San Diego, CA	https://www.meetup.com/Android-Developers-Group/events/220610543/	Wearables, the Internet of Things and Micro Applications	https://speakerdeck.com/wolfpaulus/vui-in-wearables-and-the-iot-possibilities-and-challenges
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	November 2014	USC - Los Angeles, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=29	Android Wear - Developing Applications for Android Watches	http://www.slideshare.net/wolfpaulus/developing-for-android-wear

Conference	Topic	Date	Location	URL	Talk-Title	Slides
Desert Code Camp	Technology Conference	October 2014	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	http://oct2014.desertcodecamp.com/session/1080	Developing Applications for Android Wear	https://speakerdeck.com/wolfpaulus/developing-applications-for-android-wear
Mobile Voice Conference	Effective user interface design	March 2014	San Jose, CA	http://www.avios.org/mvc-2014	Emotional Prosody	https://speakerdeck.com/wolfpaulus/emotional-prosody
San Diego Hardware Hackers	San Diego's Designer SIG	February 2014	San Diego, CA	http://www.spincraft.com/hackers/106/	How to Voice-Enable Your Mobile Application -and- Android, Arduino, and the Headphone Jack	http://www.spincraft.com/hackers/106/
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	November 2013	USC - Los Angeles, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=26	All you need to know about voice enabling web pages and mobile apps	http://www.slideshare.net/wolfpaulus/vui
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	July 2013	UCSD - San Diego, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=25	Voice Enable Mobile and Web Applications	http://www.slideshare.net/wolfpaulus/vui
Chatbots 3.3 Conference	Chatbots conference	March 2013	Philadelphia, PA	http://alicebot.blogspot.com/2013/04/chatbots-33-conference-report.html	Voice enabling Chatbots	https://speakerdeck.com/wolfpaulus/voice-enabling-chatbots
San Diego Hardware Hackers	San Diego's Designer SIG	February 2013	San Diego, CA	http://www.spincraft.com/hackers/tuesday-february-12-2013/	A Slice of Raspberry Pi	http://www.slideshare.net/wolfpaulus/raspberry-pi-14726104
Desert Code Camp	Technology Conference	November 2012	Chandler - Gilbert Community College Pecos Campus, Phoenix, AZ	http://nov2012.desertcodecamp.com/session/453	Android Speech Recognition and Text-To-Speech - How to voice-enable your mobile application	http://www.slideshare.net/wolfpaulus/vui
SoCal Code Camp	Code Camp is a free event for developers to come and learn from their peers.	October 2012	USC - Los Angeles, CA	http://www.socalcodecamp.com/pastevents/sessions.aspx?id=23	Android Speech Recognition and Text-To-Speech - How to build a voice-enable your mobile application	http://www.slideshare.net/wolfpaulus/cb33
